

## FREE IDX FRAMING OPTION

**Brokers and Agents are able to provide property search capabilities on their website by using the free IDX Framing Option provided by Diverse Solutions. Click the links below to learn about how to frame, troubleshoot, view screen shots, and sign up for the FREE frame.**

For a map-based IDX solution, use dsSearchAgent Lite on your website or blog for free. To learn more, go to: <http://armls.diversesolutions.com>.
